Our Mission: Elect Democrats!

We support candidates who share our Democratic values.

There's a Reason We're Democrats. We Believe:

- Women should control their own bodies
- Climate change action is crucial
- Science matters
- Gun violence prevention is a priority
- Health care should be accessible and affordable
- LGBTQ+ rights are human rights
- Social Security and Medicare should be preserved
- The criminal justice system needs reform
- The economy should work for all

We're Fired Up to Elect Democrats! We Do That By:

- ✓ Knocking on our neighbors' doors, calling, and texting
- ✓ Hosting events like our online party celebrating President Biden's Inauguration and conversations with high-profile Democrats such as Illinois House Speaker Chris Welch and MSNBC contributor and former Watergate prosecutor Jill Wine-Banks
- ✓ Raising money and directly contributing to campaigns
- ✓ Providing full-scale support and advice to candidates and elected officials, including recruiting volunteers, organizing phone banks and canvasses, and offering insight into campaigning in Lake County
- ✓ Organizing and training an election protection team of 125 lawyers and staffing a voter information hotline
- ✓ Recruiting and training volunteers to register voters and providing information on where and when to vote
- ✓ Supporting our township organizations and community groups in their efforts to mobilize voters
- ✓ Emphasizing the vital role of workers' rights and social justice organizing
- ✓ Developing a robust data management plan to help us target our outreach to voters
- ✓ Mailing to infrequent voters to motivate and inform them about the importance of making their voices heard
- ✓ Getting people involved and keeping them engaged

If you share our Democratic values, there is a place for you with Lake Dems.

Who Are the Lake County Democrats?

We engage Democrats in all parts of Lake County, wherever they are – from Antioch to Highland Park, Libertyville to Waukegan, Barrington to Zion.

Lake Dems is made up of active volunteers as well as precinct committeepersons (PCs) who represent their neighborhoods. PCs and volunteers contact their neighbors and have conversations with them about what matters to folks in our area.

We support our Democratic Township Chairs and activists with election materials, fundraising, and regular planning meetings to discuss strategy.

We work on issues and outreach with local community groups that share our values.

Join us! Sign up for our weekly *News & Notes*, volunteer, or contribute at lakedems.org.
